WHY YOU NEED BLUE PIER™

Blue Pier is better.

- ✓ Less work
- ✓ Lower cost
- ✓ More tax effective
- ✓ More retirement income

Pension Income at Age 65*

(Indexed, 30-Year Career)

*Estimate based on maximum permitted contributions. Blue Pier can deliver 30% to 80% more retirement income than an RRSP.

Blue Pier is *the* pension plan for doctors.

CHOOSE THE BEST

The best way to save for retirement is with a *real* pension plan. Everything else is second rate.

PAY LESS TAX

You work hard for your money so treat yourself right. Keep as much as you can with a *real* pension plan.

REDUCE YOUR STRESS

Don't worry about investments. Blue Pier's *world-class, institutional* managers will do that for you.

WHAT A 21ST CENTURY PENSION PLAN CAN DO FOR YOU

NOT ENOUGH RRSP ROOM TO RETIRE WELL?

Move to Blue Pier to contribute more and increase your tax deductions.

TIRED OF PICKING INVESTMENTS?

You're a busy professional, and may not be an investment expert. With Blue Pier you get a first-tier *institutional* asset manager.

IS AN IPP TOO COSTLY AND INFLEXIBLE?

With Blue Pier you choose how much to contribute and when. We do the rest, for less.

WANT SUPPORT THROUGH RETIREMENT?

Other plans leave you high and dry when you transition to retirement. Blue Pier is there for you all the way.

Start building *your* secure retirement future.
